Authority and Reference: Pursuant to the authority vested by Section 7312, of the Business and Professions Code, and to implement, interpret or make specific Section 7367 of said Code, the board is considering changes to Division 9 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Section 7367 of the Business and Professions Code specifies requirements for the transferring of credits from one program of instruction to another.

The board is proposing to amend section 950.10, Credit for Special License and Transfer of Training, in order to allow credit for training earned in the apprentice program to be transferred to a school program. The amendment also includes a repeal date of January 1, 2009 at which time section 950.10 (a)(2)(c) shall state that training received as an apprentice shall not be credited toward a course of training in a school.

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement:

Impact on Jobs/New Businesses:

The board has determined that this regulatory proposal will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

This agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

CONSIDERATION OF ALTERNATIVES

effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
